Sept. 27-Oct. 5, 2024

**FORT MORGAN HISTORIC SITE
Gulf Shores, AL**

8am-3pm* daily

*(*Except Oct. 5th when we close at noon.)*

***Get an up-close experience viewing wild birds
as they are banded by federally-licensed experts!***

Fall migrating birds will be safely captured in fine nets, then brought to the main tent to measure, weigh, and band, while visitors look on. Some birds are briefly presented for guests to see and photograph, while BCA volunteers share species details and answer questions from guests. The birds are safely released to complete their journey.

This event itself is free and open to the public, however donations to BCA will be gratefully accepted onsite.

NOTE: There is a fee to enter the Fort Morgan Historic site

Please stop at the entry shack to pay and follow directions to park, then follow signs on foot to banding station. See their website for fees.
