

Fall Fort Morgan Bird Banding Event

Oct 3-11, 2025

FORT MORGAN HISTORIC SITE

Gulf Shores, AL

8am-3pm daily

(Except Oct. 11th - closing at noon)

***Get an up-close experience viewing wild birds
as they are banded by federally-licensed experts***

Migrating birds are safely captured in fine nets, then brought to the main tent to measure, weigh, and band, while visitors look on.

Some birds are briefly presented to see, and photograph, while BCA volunteers share species details and answer questions.

The birds are then safely released to complete their journey.

This event is free and open to the public, however Fort Morgan Historic Site charges an entry fee.

Follow directions from FMHS staff to park, then cross street/follow BCA signs on foot.
