

SPRING 2024

Bird Banding Event

April 6-10
DAUPHIN ISLAND, AL

8am-2pm

*Get an up-close experience with birds
being banded by federally-licensed experts!*

Experts will safely capture migrating birds in thin nets, then bring them to the main tent for measuring and banding. Birds are presented for guests to see and photograph while organization volunteers share species details and answer questions. The birds are then safely released to complete their journey.

This fun and educational event is free and open to the public.

Donations will be gratefully accepted.

Banding Coalition of the Americas and Dauphin Island Bird Sanctuaries have teamed up to present this spring banding event. It will be held rain or shine (nets will be closed during showers but opened after rain subsides.)

What to bring: your folding chair, bug repellent, water to drink, sunscreen, rain gear (if needed), and camera!

Free parking at Cadillac Square

661 Bienville Blvd.

Walk a block north on Grant St., following signs to Goat Tree Reserve
